

Do you have a child with autism?

Are you willing to share your experiences and ideas about access to care and school intervention services?

If the answer to these questions is yes, you may be eligible to participate in a research study.

We want to learn how we can help expedite access to care and also how we can help your child transition throughout the school system more successfully. We will be conducting focus groups with service providers and parents of children with autism. A \$25 gift card will be provided for your participation. Participation is voluntary.
