

Do you have a child with autism in kindergarten or first grade?

Did your child receive early intervention services before moving to kindergarten?

Are you willing to share your ideas about the transition to school?

If the answer to these questions is yes, you may be eligible to participate in a research study. We want to hear from parents about their child's experience transitioning to kindergarten. We will hold meetings with parents in February and March, 2016. Participation is voluntary. CHILDCARE PROVIDED.

PARTICIPANTS WILL BE REIMBURSED \$25

For more information call Diondra at 215-746-6037

Or email diondras@upenn.edu

Do you work with a child with autism in Philadelphia?

Are you willing to share your experiences & ideas about school transition for kids with autism?

If the answer to these questions is yes, you may be eligible to participate in a research study. We want to learn about how community-based organizations support children with autism as they transition through school. We will be conducting focus groups with community providers in February and March, 2016. Participation is voluntary. Participants will be reimbursed \$25 for their time.

For more information call Diondra at 215-746-6037

Or email diondras@upenn.edu

Do you have a child who is 3-9 years old and was diagnosed with autism in the last 2 years?

Are you willing to share your feelings about how your child received an autism diagnosis and how you got help for your child?

If the answer to these questions is yes, you may be eligible to participate in a research study. We want to hear from parents about their experiences with having a young child diagnosed with autism. We will hold meetings with parents in February and March, 2016. Participation is voluntary. CHILDCARE PROVIDED PARTICIPANTS WILL BE REIMBURSED \$25

For more information call Diondra at 215-746-6037
